Myanmar Prayer Points

- **Christmas Outreaches**

Each year, on average, we have outreaches in 5 homes of believers. **Pray that** many will hear and believe for the first time this coming Christmas!

- **New House Church Plants**

We currently have one established church, and are actively sharing the gospel in 3 different areas. **Pray for** a second church to be started.

- **Believing Wives with Alcoholic Husbands**

Alcoholism impacts every single person in this country. It is produced locally and cheaply, making it accessible to everyone. This country is the poorest in Southeast Asia with most of its people uneducated, therefore having to do physical labor for just a couple of dollars a day. Hope is minimal and dissatisfaction abounds. Alcohol temporarily provides relief, but long-term ruins marriages, families and results in affairs, broken homes, and 1/3 of women becoming widows. **Pray that** believing ladies will be able to forgive their husbands daily and witness to them in word and relationship.

- **Local Leaders to rise up**

Currently foreigners are teaching the flock. Please join us in **praying** that men within the church will rise up and lead.

- **Pray for** kids of local believing parents and of the missionaries to believe.

- **Wisdom**

Because the people are incredibly poor and daily life is a struggle, we daily encounter medical and physical needs, situations where families lack of food, etc. **Pray that** the help we give will further the kingdom and not hinder it.

- **For the Lord to break down the strongholds of Buddhism**

From childhood, the locals have been taught and believed that all they need is to depend on themselves if they do good, they will receive good. As we witness, **pray that** God will reveal truth and help them discern lies, sin, and their spiritual need for a Savior.

Thank you for praying for Myanmar.
Your prayers are very precious to us. God's blessings be upon you.
