

# Prayer Points

Missionaries need your prayers.  
Prayer remains the greatest way  
to support those we send out.  
Invoke the very power of God to intervene  
in ways beyond human limitations to save the lost.  
Pray with missionaries online.

## Japan Prayer Points

- **Pray for** Japanese believers to gain confidence and boldness to share the truth with those in their circles of influence. Pray for revival in the churches, characterized by discipleship which leads to a greater burden for the lost.
- **Pray for** Japanese pastors and church leaders to be faithful to teach the Word accurately and fully. Pray against anything that would hinder their shepherding-fear of man, church bureaucracy, etc.
- **Pray for** university students in Japan encountering our IMB teams and GCC partners every day. Pray that God will work in their hearts right now so they will be receptive and ready for the gospel when they hear it.
- **Pray for** the large elderly population of Japan. A difficult segment for missionaries to reach, pray that God would open doors for our teams and that Japanese believers would take every opportunity to engage the elderly with the gospel.
- **Pray for** young families in Japan. The current generation is beginning to change old, unhealthy family paradigms, but without the foundation of Christ, they lack stability. Pray that they will know the only truly good Father and that they would glorify God in their marriages.
- **Pray for** the "hikikomori," or shut-ins of Japan. The number of these individuals is growing quickly. Pray for our teams and our partners to develop effective digital strategies that will enable us to reach this difficult-to-reach group.

**Thank you for praying for Japan.**  
**Your prayers are very precious to us. God's blessings be upon you.**
