

Prayer Points

Prayer remains the greatest way to prepare soil for the gospel seed. Pray the gospel goes to the peoples and places where Jesus is not known or named.

Northern Vietnam Prayer Points

- David is a national partner. **Pray for** him, his wife, and his young son as they serve the Lord. Join in praying for this Christmas season and a large evangelical event. Pray for hearts to be open and the local churches to work well together to glorify God.
- In Vietnam, locals celebrate the Mid-Autumn Moon Festival based on the lunar calendar. Several churches had a combined event on September 24. Some who joined were not believers. **Pray for** these families to remain connected.
- **Pray for** Q, another partner. Pray for him, his wife, and his two young children as they lead a congregation. Pray for leaders of the local churches to have unity and the wisdom of Christ to lead the church in His ways.
- **Pray for** the believers in North Vietnam to be strong and ready to be sent out with the gospel message to peoples and places not yet reached.
- **Pray for** the small groups meeting to continue developing so that many people can hear about Jesus and more groups can be started.
- In the city, it is hard to find space. Q's church rents a room at the top of a high-rise building each Sunday before another group comes. Next to this is a storage room that is also used for children's Sunday school. **Please pray** that the Lord would provide another room for the children.
- **Please pray** for the efforts to reach Northern Vietnam. Pray for good Vietnamese language skills, platforms that allow in country access but also allow enough ministry time, and spiritual and emotional health to navigate challenges.

**Thank you for praying for Northern Vietnam.
Your prayers are very precious to us. God's blessings be upon you.**
