Cambodia Prayer Points

- **Pray for** rural pastor trainings that happen every month, these trainings help to encourage pastors and give them the training they need to continue to reach and disciple their communities.
- **Pray for** international workers who work in some of the darkest areas reaching some of the most vulnerable groups in the world. Trafficking work is very hard and takes a toll on the workers in that field. Pray that the hope of salvation and God's mercy will sustain them. Pray they will not suffer from compassion fatigue but thrive in the joy of God's grace.
- **Pray for** the gospel to be preached in the remaining 6,000 villages with no gospel witness or church. They have not heard the gospel because they are hard to reach. Pray that the rural teams will find ways to traverse these difficult areas with the light of the gospel.
- **Pray for** new tribal peoples found near the Laos border. Pray that missionaries will continue to find ways to meet and reach them with the truth of the gospel.
- **Pray for** those reaching rural Muslims with the gospel, ask Father to open their hearts and ears to hear and believe the gospel. Pray for the national believers that work with them to continue to find joy in the Lord and His goodness.
- **Pray for** the missionaries as they work with national pastors to reach their villages. Pray for the 14 new believers in the last week to follow Christ in baptism and to boldly share the good news of the gospel with family and friends.
- **Pray for** the local Khmer church to catch the vision of reaching the nations with the gospel of Jesus. For many years the church has been self-focused, but a new wave of young believers are ready to spread the truth to the outer reaches of Asia. Pray for leadership development in the churches as they strive to train the next generation of leaders and missionaries.

**Thank you for praying for Cambodia.
