Please join us in praying for
the lost in the Asia-Pacific Rim

Brunei, Prayer Points

- **Please pray** for a full-time team leader to lead the effort in Brunei and for Indonesian teams that are sharing the gospel and making disciples on short term trips.
- **Pray for** a team to form that will meet specific needs in the areas of health and business.
- **Please pray** for the church in Brunei to boldly reach out to Bruneian Malay and for protection as they do.
- **Please pray** for a local NGO that is reaching out to underprivileged communities in Brunei to practice what they learn in an upcoming Community Development training.
- **Pray for** wisdom as a state convention looks to partner with us in Brunei.

Timor-Leste, Prayer Points

- Timor-Leste is known as a Catholic/Christian nation, but there are 12 people groups that are less than 2 percent Christian and three of those groups that have no known believers. **Pray for** the evangelical church to be awakened to be outward focused instead of inward focused.
- In Timor-Leste Catholicism is very strong and mixed with a lot of animistic beliefs.
Pray for lay leaders and church planters to be bold in sharing the gospel. Ask for wisdom to help the new believers withstand persecution and family pressure. They are often not accepted by the family if they leave the Catholic faith.

Nehemiah Team & Fiji/Tonga, Prayer Points

- The Church Mobilization & Evangelism team is looking for a Nehemiah Team to help extend the local team's reach into the province to encourage, equip, and mobilize churches to engage the UPGs around them. **Pray for** students to commit to fill this team this summer.
- Opportunities for high-school students in the Philippines will enable 14-18 year-olds to engage in local culture while sharing the gospel through testimonies, drama, sport, and music. **Pray for** parents and churches to challenge and send out their young people to be a part of this team.

Fiji/Tonga

- As we re-engage with the churches and convention leadership in Fiji and Tonga, **pray for** wisdom in moving forward to help with leadership training and casting vision for churches to reach out to people groups in the South Pacific.

**Thank you for praying with us.
Your prayers are very precious to us. God's blessings be upon you.**
