

# Valentine's Day: Love a Missionary.

Missionaries need your prayers.  
Your prayers remain the greatest way  
to support those we send out.  
Invoke the very power of God to intervene  
in ways beyond human limitations to save the lost.  
Pray with missionaries online.

## Thailand Prayer Points

- **Please pray** for our ministry using free eye exams and glasses called Eyes2See. Each week we visit the village and do eye exams for those interested and share the gospel. It has been an amazing avenue for us to be of service to the community, as well as a bridge to sharing the gospel.
- **Please pray** for the 24 people who have prayed to receive Christ in the Village of Three Temples in the past 4 months. Discipleship for new believers who have a Buddhist background starts at the very, very beginning. Pray that we would be thorough, consistent, and patient.
- **Please pray** for a national partner, a mature Thai believer, to come and join us in the new work in the Village of Three Temples and help us focus on evangelism and discipleship.
- While we have been given permission and encouragement from village leaders, some local religious leaders are influencing the people to "not forsake their heritage just because you get something for free." **Please pray** that we will continue to be consistent and a shining light for Jesus even when there is opposition.
- **Please pray** for our current ministry assistant, Claire, who will continue the work while we are on Stateside Assignment March-June of this year. Pray that she will prepare the lessons well, continue to develop relationships and be consistent in discipleship.
- **Please pray** our language ability will continue to grow.

**Thank you for praying for Thailand.**  
**Your prayers are very precious to us. God's blessings be upon you.**
