## Singapore Prayer Points

- Praise God for the faithfulness of many brothers and sisters in Christ whose labors over the past 100 years have led to hundreds of evangelical churches in Singapore. **Please pray** that these churches will deepen their reliance and obedience to Christ, growing in their faith and love for God and their neighbors. Pray for spiritual vitality among the churches.
- There are more than 600 evangelical churches on the small island of Singapore (covering a population of almost 6 million). Unfortunately, many of them are small, struggling churches without a permanent location to meet. Some of these lack long-term pastors, while others are straying from the truths of Scripture. **Please pray** that the churches will remain faithful to God's Word and Christ's mission.
- While there are many churches, many more are needed. Some areas and neighborhoods have no nearby churches. Places to meet are extremely expensive and often unavailable. At the same time, millions have no place to gather should they come to faith. **Pray for** new churches to be planted across Singapore, covering this island with gospel beacons of hope.
- **Pray for** the growing number of other-religious background believers that face intense family pressure in their new faiths. Pray that they will find their identity in Christ, emboldening them to be witnesses for Him to their families, friends, colleagues, and neighbors.
- **Please pray** for the 21 unreached people groups still in Singapore. Pray that the local church will be burdened for these lost and engage them with the gospel across ethnic, religious, and language barriers to see churches planted covering every group and person!
- **Pray that** the Singaporean church will become partners in sending missionaries out to SE Asia and beyond. Ask that the young people within the churches will pursue honoring and serving Christ as more important than success in career.

**Thank you for praying for Singapore.**  
**Your prayers are very precious to us. God's blessings be upon you.**
