Malaysia People Prayer Points

- Roughly 4% of Malaysians identify as Protestant, and even fewer as Evangelical. Among the ethnic Malay population, that number drops to nearly zero. Please **pray for** salvation among the millions of Malaysians who do not yet believe.
- Ask God to strengthen His church in Malaysia, increasing faithfulness to the Word, as well as unity among believers. **Pray that** Christians would be a light to their lost neighbors, willing to serve with compassion and share with boldness.
- Groups of Christian leaders from a neighboring country have been faithfully crossing borders to share the gospel here. **Pray for** continued support and protection for these men as they come, and for openness among those who hear the Truth.
- Our team is spread across several states and has recently added new members. **Please pray** for unity and cohesion as we work together for the gospel. Please lift up our new team leaders also, as they seek to lead with wisdom and grace.
- We are constantly aware of the need for more workers in the field—especially those from Malaysia or nearby nations. **Pray that** the Spirit would give more believers in the region a burden for the lost of Malaysia, and that they would receive training and support to pursue their calling in a sustainable way.
- For us specifically, **ask** the Father to sustain and guide us as we continue to serve in a very conservative Muslim community. Ask for health, wisdom, and sensitivity to the Spirit's leading, so that we can know how best to spend our time with those around us. And ask for receptivity among those with whom we share the gospel.

Thank you for praying for Malaysia.
Your prayers are very precious to us. God's blessings be upon you.
