## Chinese in Europe Prayer Points

- **Pray for** healthy family relationships. A distinct cultural gap exists between Chinese parents and their European born children. Without the Lord's help, this gap will widen as children become more aligned linguistically and culturally with their host nation. Pray that believing Chinese families will maintain strong bonds in Christ.
- **Pray for** Chinese students studying abroad. Countless Chinese Christians first heard and responded to the gospel while attending university in Europe. Ask God to move in the hearts of young adults studying abroad, and for them to be drawn to Christ at this unique time in their lives. Pray Christian workers ministering to Chinese students will share Christ clearly and boldly.
- **Pray for** pastors of Chinese speaking churches in Europe. May God strengthen, equip, and grant endurance to those who are faithfully serving in pastoral roles. Pray they will abide in Christ and live holy lives as they serve. Many churches in Europe lack pastors altogether, ask the Lord to call more leaders to gently and wisely shepherd His flocks.
- **Pray for** the salvation of Chinese living in Europe. The reasons that draw overseas Chinese to Europe are varied: work, education, pursuit of freedom, or a new relationship. Yet seeking any of these apart from Christ will leave our Chinese friends unfulfilled. Pray that God will grant tender hearts and humble spirits to those who do not know Him as Lord.
- **Pray for** "Back to China" missions fervor. Could it be that God is calling some Chinese Christians living in Europe to take the gospel back to their homeland? Pray that the hope of Jesus will impact unreached peoples in China, specifically through the efforts of Chinese believers in Europe. May God equip the called, and grant the needed faith, favor, and resources to return.
- **Pray for** cross-cultural missions fervor. Europe needs a spiritual awakening like never before—let's pray that God will use East Asian believers to bring it about. There are many faithful Chinese Christians living within Europe's borders who may or may not feel equipped to share the gospel with their French, Italian, or Spanish neighbor. Ask the Lord to give them the prompting and the courage to cross cultures when it comes to loving their neighbor.

**Thank you for praying for the Chinese in Europe.  
Your prayers are very precious to us. God's blessings be upon you.**
